Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 02 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Locally heavy and thundery showers developing overnight and on Saturday.

This Evening and Tonight:
After a dry start, scattered showers will spread northeast across the region overnight, these perhaps heavy and thundery in places. Feeling humid, and becoming misty in places. Minimum temperature 13 deg C (55 deg F).

Saturday:
Rather cloudy with scattered showers, these possibly heavy and thundery, but brightening up more generally later in the day. Feeling rather warm and humid. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Rather warm Sunday, with sunny spells and some heavy, locally thundery showers. A few showers on Monday, with more general rain later. Tuesday windy and cooler with sunshine and showers.
